Conference Invitation

The 3rd International Conference on Sustainable Building Materials

September 24 - 27, 2023, Wuhan, P.R. China

Dear Expert/Scholar,

The 3rd International Conference on Sustainable Building Materials (ICSBM), co-hosted by Wuhan University of Technology, Wuhan University and Eindhoven University of Technology, will be held in Wuhan, China, from September 24 to September 27, 2023. On behalf of the conference organization committee, we sincerely invite you to attend the conference, submit your abstract, and share your report!

The conference aims to promote the sustainable development of building materials through material composition design, production and construction, maintenance and service, recycling, carbon reduction and carbon sequestration.

Topics

- Advances in cementitious binders
- Waste recovery, treatments and valorizations
- Alternative reinforcements for concrete structures
- Functionalizing building materials
- Green products
- Bio-based materials

>> *More detailed topic content:* https://susbuildmat.com/?page_id=1235

*All abstracts will be peer-reviewed and evaluated based on quality, innovation, and relevance. Invited full papers will be recommended for publication in the **Journal of Building Engineering**.

Important Dates

2023.07.15	Abstracts submission & Early bird payment deadline
2023.08.15	Notification of acceptance of abstracts
2023.09.23-24	Registration
2023.09.25-27	Conference days

Registration fees

	Before 2023.07.15	Before 2023.09.01	desk – cash/card
(PhD) Students	1200 RMB/200 USD	1500 RMB/250 USD	1800 RMB/300 USD
Other delegates	2000 RMB/330 USD	2500 RMB/400 USD	3000 RMB/450 USD
